

## Frank Mancini

Frank Mancini proudly served in the United States Navy between the years of 1984 and 1988, as Aviation Stock Controller in the Repairable Asset Management Unit aboard the USS America CV-66 aircraft carrier.

Frank was honorably discharged from the US Navy in 1993 due to service-connected related injuries. As a young veteran entrepreneur, Frank focused on the Information Technology sector, serving as Managing Director of Intelligence Research Group (IRG), a Web Development and Research Consulting Company located in the Los Angeles area. For its clients, which include several Fortune-100 companies, IRG manages web development projects, develops on-line marketing strategies, and has won numerous industry awards. In 1998 Frank received his bachelor's degree from the University of California, Los Angeles.

Using his 15-year accumulated knowledge and experience in IT and business management, Frank founded IRG Plotters & Printers, Inc. in 2004. IRG Plotters & Printers, Inc. is an IT services and procurement company, specializing in 2D and 3D Printing Solutions including Large-Format Printers, 3D Printing Systems, and Digitizing Equipment.

The company has recently expanded to two offices, one in Los Angeles, and the other in Orange County. The company emphasizes comprehensive, highly specialized maintenance, repair service, procurement and document management solutions for a variety of large format plotters, multifunction printers, and scanning devices.

Frank also serves on Xtreme Measures LLC advisory board, a global Digital Wireless Mobile Marketing company ([www.xxtrememeasures.com](http://www.xxtrememeasures.com)).

In 2006, after 18 months in business, in recognition of the economic power of multicultural business, DiversityBusiness.com, the nation's leading multicultural internet site, named IRG Plotters & Printers, Inc as one of the "Top 100 Disabled Veteran owned businesses in the United States (Div100)."

The Div100 is the 7<sup>th</sup> annual listing of the Nation's top 100 Disabled Veteran-owned businesses. The companies listed on the Div100 represent the Nation's top multicultural earners and challenge the long-held notion that a diversity-owned business is small or insignificant. Div100 members are sought after by major corporations wishing to increase spending with diversity owned companies.

Frank has been appointed to serve on the **U.S. Small Business Administration's Advisory Committee on Veterans Business Affairs (ACVBA)** and has been selected as a member of the **National Economic Advisory Committee** for the American Legion, his enables him to directly contribute and impact government policy in order to maximize the availability, applicability, and usability of all administration small business programs for Veterans, specifically Service-Disabled Veterans.

Frank is an active member of the **Association for Service Disabled Veterans (ASDV)** and of the **Elite SDVOB**. As part of these entities, Frank serves and supports our nation's veterans.
